### **Materials:**

**Kiss Loom. (24 pegs on the round) at 1<sup>st</sup>. setting + 4 washers.**

**A little bit of Pound of love in 2 colors of your choice**

**Tool pick**

**Yarn needle**

### **Instructions:**

**Debbie's Edge: Using color A e-wrap all the pegs, once, repeat twice more; now you have 3 loops on each peg.**

**Row 1: Knit one over 2 on all pegs. Now you have 2 loops on each peg.**

**Row 2: Purl, all pegs, putting the yarn under the 2 loops that are on the pegs, and pulling the yarn thru both loops, now you have only one loop on each peg.**

**Row 3: with color A wrap for u-stitch pegs 1, 3, 5, 7 and so on till peg 23; leaving a long tail (will be weave in at the end) with color B purl, pegs 2, 4, 6, 8 and so on till peg 24. Knit off the odd pegs (that is one over one)**

**Repeat row 3 until you have 13 rows. Cut color B leaving a long tail, cut color A leaving a long tail, tread yarn needle with color A, take each loop off the peg, with the yarn needle, being sure the yarn is going inside the loop, once that all loops are tread thru the tail, take everything off the loom, pull the yarn, so the center, has almost no hole, then go once again around the last stitch, pulling as you go along, until is no hole in the middle. Get the needle to the inside of the hat, and weave in the yarn, cut the yarn close to the hat.**

**Weave in the rest of the tails.**

**This hat, can be done on any loom, with even number of pegs, and any yarn/colors of your choice.**
