Preparation:

Assemble the Kiss Loom for 78 pegs to knit on the round, on second setting with no washers. The samples were done using 2-30s and 2-9s. Mark, peg number one, either by putting a stitch marker on it, or using a piece of masking tape, and taping it to the board, right under peg 1.

Instructions:

With color A cast with the method of your choice.

Work on continuous u-stitch for 20 rows.

Now we are going to pick up the cast on loops and put them on the pegs, just like for a brim of a hat.

Being sure that the first cast on loop goes on peg marked number one, and that the loops go between the pins, so that the yarn stays behind the pins.
