

# The McCoy Mitts

By Robin McCoy

## Supplies

- Kiss Loom set up with 4x6's on 1<sup>st</sup> setting + 3 washers
- Less than ½ a skein of Red Heart Super Saver WW yarn in your choice of color (cables show best in light colors)
- Pick tool, cable needle, yarn needle and scissors

## Abbreviations

- K (Means to knit, use the continuous u-stitch)
- P (Means to purl, use the continuous purl stitch)
- 4st-RC and 4st-LC (4 stitch Right and Left Cross cables)
- RT and LT (Right Twist and Left Twist cables)

## Special notes

- It may be helpful to use the tutorial I created for Cables on the Kiss Loom that can be found here:  
<http://www.box.net/shared/un9nOpao8w>
- The bind off used in this pattern is done as follows (it is helpful to keep it all fairly loose):
  - \*E-wrap and knit off pegs 1 and 2
  - \*Move loop from peg 2 to peg one and knit off.
  - \*Move loop back to peg 2, which now becomes your new peg 1.
  - \*E-wrap and knit off the next peg, move it to peg 1, knit off, move loop back to it's original peg.

*\*Repeat the last step until all pegs have been bound off*
